## **TRADITION SIX**

"An AA group ought never endorse, finance, or lend the AA name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose."

"The "related facility" may be an outside group combating alcoholism—or an enterprise that A.A.s want to start. It was the latter that most often confronted the young Fellowship. Outside agencies were pretty scarce in those days, and some members thought A.A. should cover the whole alcoholism field. Led by a "super-promoter" (as the "Twelve and Twelve" describes him), one group built an all-purpose center, including a section for drying-out treatment. Picture any group tackling such a project! Arguments over cost, architecture, staff, fees, medication, and rules might even make the local paper. (And pity the poor newcomer straying into the group— "We'll get around to you in a minute.")"

## **GRAPEVINE** Daily Quote

#### June 24, 2021

"Our mistakes of yesterday can be stepping stones for tomorrow if we do something about them today."

## **STEP SIX**

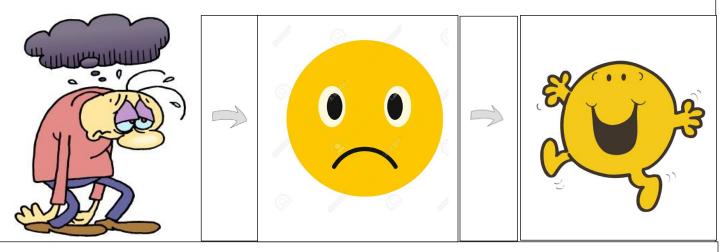

"Were entirely ready to have God remove all these defects of character"

"We have emphasized willingness as being indispensable. Are we now ready to let God remove from us all the things which we have admitted are objectionable? Can He now take them all, everyone? If we still cling to something we will not let go, we ask God to help us be willing."

(Reprinted from Alcoholics Anonymous, P. 76.)

## **PROMISE SIX**

"That feeling of uselessness and self-pity will disappear."

## **CONCEPT SIX**

The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.

### **DISCLAIMER: April 2022**

The following article was written in the year 2006 by Area 78 Past Delegate Panel 56 Pat L. Since 2006 (16 years ago) several other questions have been asked from the General Service Office (GSO) of Alcoholics Anonymous that are too numerous to state or address here. The following article is attached **only** for your information and some facts that happened in the years 2006 and 2007. Please enjoy!

## A Service Vision for You

Chapter 11 in the book Alcoholics Anonymous in my opinion talks primarily about one alcoholic talking to another alcoholic and carrying the message of recovery – Our Primary Purpose.

We have shown how we got from under, how we get along without liquor and show the suffering alcoholic that they can have the same freedom from their addiction.

We found the Fellowship and so will they.

My substitute for the power alcohol had in my life was to become involved in those dreaded words "Service Work". I prefer to simply say that I just carry the message of recovery to the still suffering alcoholic thru the Service Structure of Alcoholics Anonymous.

In 1995 the founding members passed on to the Fellowship the responsibility for the three legacies of Recovery, Unity and Service when AA had finally "come of age". The groups were put in charge and our second tradition tells us that this happens through the authority of a loving God in a group conscience.

In a couple of weeks I will be attending the 56<sup>th</sup> Annual General Service Conference of Alcoholics Anonymous on your behalf. The theme is "Sponsorship, Service and Self Support in a Changing World". I will be serving on the Grapevine Committee and the International Conventions and Regional Forums Committee. I will be a very busy girl and I am profoundly privileged to carry your voice to the General Service Conference, New York. Thank-you for your faith and trust.

I assume your group had a General Service Representative and that they attended our Pre-Conference Assembly in March.

If not, it is imperative that your group elect one so that your Groups Voice will be heard along with the other 192 members in attendance.

These are just a few of the many agenda items going to the Conference this year.

How does your group feel about having a "Finance Card" to read at the beginning of a meeting explaining how the basket money (7th. Tradition) can best be used?

(continued, next page)

How does your group feel about the pie charts being removed from the self-support pamphlet?

Does your group know that there is a freight charge on smaller literature orders? Do you think it should be eliminated?

Does your group think there should be a pamphlet about Intergroup?

How does your group feel about a history book to cover our years from 1955 – 2000?

Does your group think that the pamphlet "Letter to a Woman Alcoholic should be discontinued?

Do you believe that your General Service Board should now possibly be chaired by a Class B (alcoholic) Trustee? Is it time?

Does your group think that there is a need for a video on our Website directed to the professionals in the employment/human relations, legal/criminal justice, and medical fields? These professionals see the alcoholic sometimes as many as 7 years before they ever attend an AA meeting.

What are your group's suggestions for ways the Cooperation with the Professional Community Committee presents AA to the professionals?

The Corrections Committee will be reviewing the manuscript of "AA in prison: Inmate to Inmate".

Should the Grapevine Committee produce an anthology of La Vina (the Spanish Grapevine) stories?

The Public Information Committee will be asked to review the distribution, tracking and evaluation of our Public Service Announcements. Have you seen "Living In Chaos"?

The membership survey will be reviewed.

Does your group think the "Domestic Partner" should be added to the "Marital Status of Members"?

Does your group think we should add a "Sexual Orientation" category to the 2007 AA Membership Survey Questionnaire?

Does your group think that we need to attach an explanatory letter regarding the appropriate use of the AA Directories?

What does your group think about a pamphlet concerning Alcoholics Anonymous, religion and spirituality? In our background information from Dateline 04/22/99 a Federal court had ruled that adjudicating persons to Alcoholics Anonymous is violating their constitutional rights because the program is religious. (continued, next page)

All the background information that I received was passed on to the various committee chairs and was discussed at length in their committee meetings – I hope some of you were there.

My Vision for you ......is that you please remember that this is our Fellowship ............ We Own It.

We need to make sure that the groups in Area 78 and all other Areas continue to make the decisions, and offer guidance to our General Service Board – our trusted servants. We need to keep our focus on our primary purpose of carrying the A.A. message to the alcoholic who still suffers, and that is best achieved when the groups' voices are being heard.

Many of these thoughts and words were taken from Debbie T. Panel 55 Area 44 New Jersey, she says it all so well.

I have had a few copies printed of the AA Service Structure from the AA Service Manual Page S23 – and you can clearly see that the first part of the structure at the top is ...... AA GROUPS.

I will be very eager to present my Delegate's report when I return the end of April. I will need a couple of weeks to put it all together and then I am ready, willing and eager to take it on the road. I hope your District will invite me to share my experience of the 56th. Annual General Service Conference. Please just ask me.

I believe this is a solid and secure way to attract participation on our Three Legacies of Recovery, Unity and Service in Area 78.

Being part of the service structure of Alcoholics Anonymous has only enhanced my sobriety and made me aware of the wonderful worldwide fellowship I am proud to be part of. I am grateful to you all for encouraging me to participate.

Thank you In Love and Service Pat Long Delegate Area 78 Panel 56

#### POSTSCRIPT APRIL 2022

In answer to some of the questions in 2006/2007 to the best of my knowledge:

There is now a Finance Card available to be read at meetings – several important questions were added to our survey – several pamphlets have been re-written, added to and new ones developed. The Grapevine has eliminated the section "Alcoholism at Large "(Formerly called "The Grey Pages").

There are numerous changes being developed each and every year. Please have your GSR or Intergroup Representative keep you advised.

(continued, next page)

If you or your group members want to be kept "Up to Date" please, I encourage you to reach out to your Area 78 Officers, your Intergroup and to read and re- read the yearly copies of the Conference Reports. They are available on the Website.

In 2006 I attended my first General Service Conference and one of the topics was an ever "Changing World" ...... which, I believe is a very viable topic to discuss today!!

Please let's all participate to make our Fellowship stronger, open and loving to all who choose to recover.

Stay well, stay safe and stay connected ... In love and service Pat L. Area 78 Past Delegate Panel 56.

#### A SOBER DAD IN BANGKOK, THAILAND

I fell in love with my son the moment I saw him. I had such plans. I was going to be a great dad. All of the love, all of the attention, anything he would ever want and I would be that dad. I sincerely wanted in my heart of hearts to be a good dad but I was an alcoholic. A child's love is powerful. My son adored me. He would wait for me to come home from work, and run down the hall of our apartment, calling, "Daddy! Daddy!" I would scoop him up and hug him. He was so small but I could feel his strong little hug around my neck.

I would carry him into our apartment, put him down, and grab a big beer from the fridge. He would watch me drinking and even mimic me with his sippy cup while taking a drink and saying, "Ahhh." Just like dad. I didn't stop at one beer. I drank until I passed out. Sometimes I made it to my bed. Just as often I would wake up on the floor where I had passed out, my son asleep on top of me or next to me holding my hand. I would feel such guilt. I would tell myself, tomorrow I'll be a better dad. Tomorrow I will do fun things with my son. Tomorrow I'll be the kind of dad I really want to be. I will really try. Tomorrow. During the week, my son and I would make plans for Sunday, my only day off. He would ask where we would go and what we would do. His eyes would light up like it was Christmas. But come Sunday, I would start drinking as soon as I woke up. He would ask, when will we start? "Just after this beer", I would say. Then there was the next one and the next one. He would ask, is this the last one? Then the plans changed and we wouldn't go anywhere. I'd think the next weekend, that's when I was going to be a good dad. We would repeat the whole exercise week after week. His excitement, his questions and then the plans would change. He always had hope that the next time would be different. Just like me.

My drinking got worse. I rented a "drinking" apartment next door. I couldn't bear watching him while I was drinking in our family apartment. His mom was there but she was busy with her own work. I was terrified he would choke on a toy or put something in the electrical outlet - any number of things that toddlers do and I would be too drunk to notice. My routine became to come home, give my son the usual hug, take beer to my new apartment and close the door. My son would try to follow me but I wouldn't let him in. I would tell him to stay with his mother. He would knock on the door saying "Daddy let me in." He would cry sometimes. It broke my heart but I couldn't let him in. Eventually the knocking and the crying stopped and I carried on drinking filled with guilt and self-hate. Coming to in the middle of the night I'd open the door and there he would be sleeping in the hallway. Sometimes he had an unopened beer with him, now warm because he thought maybe I would open the door for him if he had a beer for me. I would say to myself, tomorrow, tomorrow will be different. We are told that no one gets sober for other people, but getting sober for my son was definitely part of my recovery. My son was five when I got sober and what a difference to be a sober dad. I brought him to lots of meetings with me. He was very quiet and usually napped during the meetings but all the time we had together getting to the meeting and afterward back home was all our time. We talked and laughed and ate hamburgers. Watched movies together or just hung out. The best time ever. (continued, next page) My son is twenty-six now. He was raised in a sober home and the principles I learned in A.A. were the principles I tried to use in being his father. First things first, do the next right thing, let go and let God. These principles work. I realize that he has a Higher Power of his own and he has his own life to live. I love the man he has become. There might be a 12 Step Group in his future but that is his decision and he knows this A.A. thing works. I was curious about what he remembered of my drinking. In the Fifth Grade his class was doing a unit on drugs and alcohol. He asked for help with his homework, (which you can do if you are a sober parent), and here, finally, was some homework I understood. "Why do people drink and take drugs? What does it feel like when you are high? What is an alcoholic?" I was a teacher at the school he attended and after school his homeroom teacher was waiting outside my classroom. I thought she was going to tell me how great my son did on his assignment. The teacher reported that my son told the whole class that when I was drunk, I peed in the refrigerator. He remembers.

The more I try to become the parent that A.A. wants me to be, the more I become the parent I want to be.

Amazing how that works.

The more the husband I want to be, the teacher I want to be, the man I want to be - It's all A.A., a design for living that really works.

— Charles G., Serenity Group, Bangkok, Thailand

Warm greetings from the General Service Office in New York!

This is a friendly reminder regarding setting up future local events for 2025, the year that the 2025 International Convention will be held in Vancouver, BC, Canada, July 3-6, 2025.

"Reflecting guidance from the Additional Consideration of the 1999 Conference Committee on International Conventions/Regional Forums, the trustees' Committee on International Conventions/Regional Forums suggested that the area/state/provincial committees be made aware that experience has shown that planning a local A.A. event such as a convention, too near the dates of an International Convention may result in a smaller attendance at the local event; this notice to be sent out annually starting three years prior to each International Convention."

Once again, if you would pass this information on to any local or regional planning committees who may be setting up future events for 2025, we would appreciate your

cooperation.

### AA/Corrections takes off

The good news first, EGSC has gone from 8 inmates reached at 1 institution to 125 inmates reached at 8 institutions and climbing to 200 a week.

We have gone from 1 volunteer to 60.

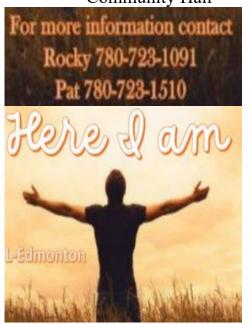

Now for the bad news...we have great need for financial support to meet this success, specifically, we need the literature for the spiritual and interactive sessions on the inside. We are in urgent need of Big Books and Pamphlets. HELP!

## Delegate's Corner - May 2022

What a trip...What a trip!

Walking through the time in New York - before, during and after the 72nd Conference is like nothing I've ever experienced. I love New York and I never in a million years thought I would ever say that. It is clean, friendly and lovely. Everyone walks everywhere. The work that is put into carrying the message from the staff, Trustees, Directors and overall Conference members is so heartwarming. It took me quite a while after coming home to sort through it all. I still haven't finished. My soul keeps moving around the experience.

The 10 days were in sections. First there was the site-seeing my sister and I did. Some on our own and some with Carolyn and Rio, from BC/Yukon, Richard from Manitoba. Later, we joined up with Irma and Glenn from Sask.

The next part was also prior to the conference when we had the Remote Communities Meeting, the open Hospitality meet and greet and then the Delegate's Only meeting. The Co-chairs for the next Conference are Richard, from area 80 (Manitoba), Janet F from Area 23 (Southern Indiana) and myself.

The next phase was with our Committee work. Each committee meet for 10-12 hours over 3 days. Also on those days were many reports, workshops, presentations and something they called the Fishbowl discussions. I learned so much and appreciated the hard work done by the committees and staff throughout the year between conferences. (continued next page)

The last three days were dedicated solely and completely to the committee recommendations and considerations. This was followed by floor actions put forward at the conference itself. These were long, inspiring and soul filling hours. Watching all our Traditions and Concepts put into action was really something. Every voice was heard, every question answered and all put into thoughtful consideration, no matter how long it took.

The final part was after the Conference. Two busloads of us, with our Plus One were given a tour of the GSO, Archives and Grapevine offices. Seeing all the offices, each identified with either a position or committee name felt like a family member.

All told, the trip was a trip! So very grateful for the opportunity to take our voice, then return with the entire Conference voice.

Now for a little Pony Express Update of what's been going on:

## How to Celebrate Dad's Recovery

- Give a Personalized Present
- Write a Heartfelt Letter
- Head Out on a Family Adventure

Alcoholism is an incurable disease.
You will have it for life.
Just like you can't turn a pickle back into a cucumber, you can't turn an alcoholic back into a normal drinker.

Think of at least one positive quality your father has. Recognize how your father helped make you who you are.
